

Volunteer Application

The aim of the London Bus Museum is to operate a benchmark working Museum, preserving and presenting the social and engineering heritage of historic London buses and artefacts for inspiration, learning and research, the enjoyment and enlightenment of the public and for the education of future generations. For this to happen successfully, the Museum needs a large number of volunteers: as stewards, as members of one of the maintenance and restoration teams, as librarians and archivists, to assist with site maintenance and administration, etc. If you feel that you can contribute to our continuing success, please complete the following details and arrange to discuss your application with Steve Edmonds, the Volunteers' Manager.
