

## The Corporate Membership Scheme

The London Bus Preservation Trust, which runs London Bus Museum, is a registered charitable trust dedicated to the conservation of London's bus heritage and to bringing that heritage to audiences across London and the rest of the UK for inspiration, education, enjoyment, enlightenment and research.

London Bus Museum is open daily to the public and receives in excess of 100,000 visitors per annum. The Museum does not receive any official funding and relies entirely on the efforts of its fundraisers and the support of its partners and visitors.

The Corporate Membership Scheme is a means for a company to develop its business by taking advantage of the benefits of the scheme and to identify the company and its staff with the heritage, as well as an opportunity to support the Museum's conservational and educational objectives.

The Trust looks forward to welcoming your company as a partner.
