STALLS BOOKING FORM

This form must be completed and returned no later than Friday 14th June

Dear Stall-holder,

You are invited to join us with your sales stall at our summer event to be held on Sunday 23rd June at the London Bus Museum, Brooklands, Weybridge, Surrey. KT13 0QS.

This special event will display all vehicles owned by the museum together for the first time. Over 1,500 visitors - transport enthusiasts and families - are expected at this event..

The day will also feature displays of invited buses, modern & preserved, a collectors' market, heritage bus rides, children's rides & attractions.

The event is being widely publicised in both the enthusiast press and the general media, including extensively on the web.

Most stalls will be located outside the Museum, both under cover (roof only) and uncovered. They may be on hard-standing or on grass. One vehicle space will be allowed for each trader. Limited pitches will be available in the Vickers Suite. Stallholders should bring their own tables and, where appropriate, weather protection.

Whilst LBPT Ltd carries full insurance cover for incidents arising by actions of the organisers, it does not accept any liability for the actions or otherwise of visiting individuals or organisations.

Stallholders are required to have public liability insurance reflecting current requirements for major public events, and a risk assessment must be supplied. A risk assessment form is attached.

It is recognised that commercial operators will have this as standard but this may be new for private, non-commercial stall-holders. If you have any queries, you are welcome to contact the stalls office.

Stalls are allocated as per the table below. Set-up is between 07.00 and 09.00 on Sunday 23rd June.

Covered pitches (both inside and outside the building) do not include a vehicle space and cars/vans must be moved to the car-park promptly after unloading and before 09.00.

The uncovered pitches include parking for one vehicle (car or small van) or trailer adjacent to the stall.

Inside pitches There are limited stall spaces available inside the Vickers Suite.

Commercial Stalls are for companies whose profits are not intended to directly support bus preservation.

Special arrangements can be made for stall-holders bringing a bus, or who are disabled, but please contact LBPT stalls in advance.
