

London Bus Museum TransportFest- Sunday 19th October 2025

Dear Trader

The museum would like to invite you to have a sales stand at this year's TransportFest. You will be pleased to know you only have to complete ONE risk assessment for the year and provide ONE copy of your Public Liability Insurance.

Race Bays (formally known as the bike sheds)

Each Race Bay is classed as one pitch. There are 20 Race Bays, they are all numbered and will be allocated on a first come first served basis. Each bay has footage of 9 feet wide and a depth of 13 feet. Your tables must be contained within the covered area of the Race Bays and you must NOT expand outside of it. *If any items are outside of your bay, you will be asked to remove the items and place them within the space booked.* In October, due to the sun setting earlier, traders in the Race Bays are able to start packing up at 4pm due to the lower light levels.

Traders marquee

This is a popular and well liked option. The marquee has been booked for the April and October events for this year. Sales stand pitches in the marquee are of 12, 18 or 24 feet frontage and 6 feet depth. Any traders wishing to have 6 feet should contact Guy to see what arrangements can be made. *A small number of sales stands with frontage of more than 24 feet will be located outside of the marquee on the grass and the trader will have to provide their own covers.* In October, due to the sun setting earlier the marquee will be closed at 4pm to allow the traders to take down their sales stands and pack their vehicles in some light. The marquee will have lights fitted but the roadways won't have lights fitted, caution is required when moving outside of the marquee. Traders vehicles will need to be moved to the heights car park before 9am.

Wrist bands and vehicle passes giving access to the event will not be issued if payment is not cleared. BACS is the preferred method of payment, though cheques and cash are still acceptable. Three wrist bands and one vehicle pass per pitch booked will be included. If more wrist bands are required, please speak to Guy.

In the week before the event a plan will be emailed out to all of the traders showing where they will be going. The marquee will also be marked out ready for Sunday morning.

Rubbish **MUST** be taken away with you at the end of the day. The museum disposing of your rubbish costs money. If you leave rubbish at the museum, this cost could be passed onto you and persistent offenders could be refused future bookings.

It is the traders responsibility to make sure their tables and infrastructure are fit and proper for the task in hand. Traders should have their own public liability insurance cover. A disclaimer

document will need to be completed if an individual does not have public liability insurance cover and that needs to be returned to the sales stand manager before the event.

Please return your completed booking form to Guy Bowden at 21 Forde Avenue, Bromley, BR1 3EU. Alternatively the completed booking form can be emailed to guybowden14@gmail.com. Any questions please call Guy on 07932729522. Please do not send booking forms to the Museum.

BACS details-

Account number- 00018504

Sort Code- 40-52-40

Account Name- London Bus Preservation Trust Ltd

Please use TF25 your surname.

The museum and Guy look forward to you attending our last event for 2025.
